ABOUT CHUPACLIMB

Established in January 2016, ChupaClimb is a trusted and innovative brand based in Bulgaria that caters to the needs of climbers around the world. We specialize in providing high-quality climbing accessories, including chalk, brushes, sport tape, and other essential gear, designed to enhance your climbing experience.

At ChupaClimb, we understand the unique demands and challenges that climbers face in their pursuit of reaching new heights. Our mission is to empower climbers of all levels, from beginners to seasoned professionals, by offering reliable products that inspire confidence and support their climbing endeavors.

Quality is at the core of everything we do. We meticulously source premium materials and employ rigorous manufacturing processes to ensure that our products meet the highest standards of performance, durability, and safety. We believe that only the best gear can truly elevate your climbing performance and allow you to push your limits.

We are deeply passionate about the sport and its community. We actively engage with climbers worldwide to gather insights, listen to feedback, and continuously improve our products. This collaborative approach allows us to stay at the forefront of the industry, providing climbers with innovative solutions that address their specific needs.

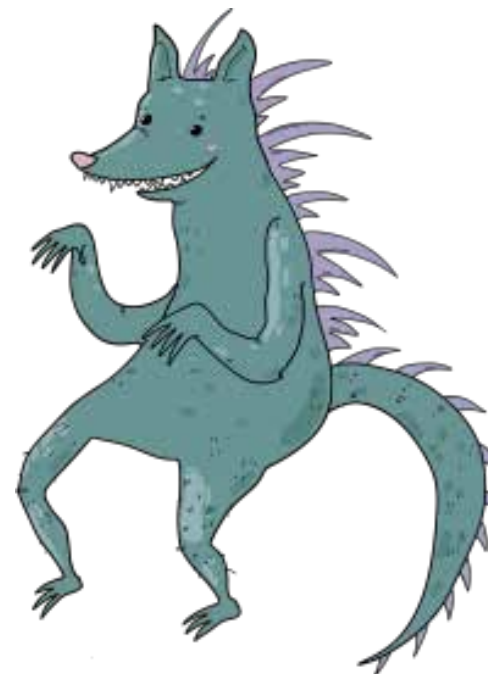

In addition to our commitment to quality, we also prioritize sustainability. We strive to minimize our environmental impact by employing eco-friendly practices throughout our operations. From utilizing recyclable packaging materials to promoting responsible manufacturing processes, we are dedicated to preserving the natural playgrounds that climbers cherish.

Whether you're tackling a challenging boulder problem or embarking on an epic multi-pitch climb, ChupaClimb is here to support you every step of the way. We are proud to be a trusted brand among climbers, and we invite you to join our community of passionate adventurers who are united by a love for the vertical world.

The brand was originally established under the name Chupacabra climbing. In 2019 we have shortened the name to ChupaClimb. Aside from ChupaClimb our company owns the climbing hold brand Thrill Seeker Holds.
